### Match Report

Round seven saw the ADFA Rams travel to Harman to face the Hogs who were looking for their fourth straight win.

With the Rams having just one win for the season, Harman were full of confidence and the side's performance in the opening term reflected this. The Hogs opened the game with plenty of aggression and as such managed to boot five goals to one, to take a 23 point lead into the first break. The second term was much of the same with Harman adding another four goals whilst managing to restrict the Rams to just one behind.

The second half objective from Harman was to keep up their intensity and push home their advantage, and that was exactly what they did. The Hogs managed ten second half goals to eventually run out 96 point winners.

Some players of note were Simon Thomas who took plenty of marks across half forward as well as kicking seven goals, Kooky and Matty Dunnnett who did plenty of the hard stuff in the middle and Benny and Chaddas who chimed in nicely with six goals between them and some glimpses of brilliance.
