### Match Report

Harman meet the Woden Blues in round eight in a match that would test the much improving Hogs. With Woden not having lost a match since round one this game was used as a measuring stick as to see just were the Harman side was at for 2007.

The opening quarter was a tight affair as both teams traded goals, and a two point lead to the Blues was the margin at the first break. With Woden's strength being their run from their back half, Harman attempted to play the game in tight and win as much of the contested footy as possible. As a result the standard of football was high and at half time the Hogs held a two point lead.

The third quarter was one the Harman side wished they could take back, as Woden booted four goals to none. The third term saw the Hogs lose all concentration and discipline and allow the Blues to run and carry the ball with little pressure and as such lead by 25 at the last change. The final term was one in which the Harman side fought hard and manage to outscore the Blues but it was too little too late. The final margin was 21 points, but was an eye opening match for the Hogs as they found out exactly what was required to compete against the top sides.

Some of the better performances for the day included Clayto and Titso who fought hard in the ruck all day, Matty Dunnett who just continued his great form, and Aida who rebounded plenty of Woden advances as well as setting up plenty of the Harman forward thrusts. Reffereed
